

High School Programs

The following sections provide information on the various course offerings in the high school system. This is not an exhaustive list as many schools and school districts offer district/local courses.

Language Arts

To satisfy the “**English Language Arts**” graduation requirement students must complete the following courses:

Academic		General
English 1201	or	English 1202
English 2201	or	English 2202
English 3201	or	English 3202

To satisfy the “**Optional Language Arts**” graduation requirements students can complete any of the following courses:

English 1200*
Writing 2203
Theatre Arts 2200
Canadian Literature 2204
Folk Literature 3203
any high school French course

* English 1200 is intended for those students in the general English stream who lack sufficient skills and strategies to handle the reading and writing demands of senior high school courses and need extra help in English. If selected, this course must be completed before or concurrently with English 1202.

Mathematics

Advanced	Academic	General
	Math 1204	
Math 2205	Math 2204	Math 1206
Math 3205	Math 3204	Math 2206
Math 3207	Math 3103	Math 3206

Notes:

- Math 1206 is pre-requisite to Math 2206 and 3206 (i.e., credit must be obtained for Math 1206 before a student can attempt either Math 2206 or 3206).
- Math 1204 is pre-requisite to Math 2204, 2205, 3204, and 3205 (i.e., credit must be obtained for Math 1204 before a student can attempt either Math 2204, or 2205, or 3204, or 3205).

Science

General	Science 2200 Science 3200	
Academic	Science 1206	→ Biology 2201/3201 Chemistry 2202/3202 Physics 2204/3204 Earth Systems 3209
Other Science	Environmental Science 3205	

Social Studies

Canada Studies	World Studies
Canadian History 1201	World Geography 3202
Canadian Geography 1202	World Geography 3200*
Canadian Issues 1209	World History 3201
Canadian Law 2104	Histoire mondiale 3231
Canadian Economy 2203	Histoire mondiale 2236
Histoire du Canada 1231	
Géographie du Canada 1232	
Économie canadienne 2233	
Droit canadienne 2134	

Career Education

Students will satisfy the Career Development requirement by completing Career Development 2201. This course will include a community contribution component.

Though some students will not take this course until Level II, they should be advised early in their Level I year about the community contribution component. This will allow them the opportunity to start fulfilling this requirement early in their high school career.

Fine Arts

The Fine Arts requirement can be satisfied by completing two credits from the following courses:

Art	Music	Theatre	Other
Art Technologies 1201	Ensemble Performance 1105	Theatre Arts 2200	Clothing 1101
Art and Design 2200	Ensemble Performance 2105		Textiles 3101
Art and Design 3200	Ensemble Performance 3105		Folk Literature 3203*
	Experiencing Music 2200		
	Applied Music 2206		
	Applied Music 3206		

* Folk Literature 3203 will be offered for the next 1-2 years and will then be replaced by an integrated arts course. The intent is to have this new course ready for pilot in Sept. 2006 and for implementation for Sept. 2007.

Physical Education

The Physical Education requirement can be satisfied by completing two credits from the following courses:

- Healthy Living 1200
- Physical Education 1100
- Physical Education 2100
- Physical Education 2101
- Physical Education 3100
- Physical Education 3101

Other Required Credits

Students must obtain at least four credits from this category and in doing so must obtain these credits from at least two different disciplines. However students do not need to satisfy the “two different disciplines” if the four credits for this requirement are satisfied using four credits in French.

Enterprise

Consumer Studies 1202
Canadian Economy 2203
Économie Canadienne 2233
Business Enterprise 1100
Affaires et entrepreneuriat 1130
Enterprise Education 3205

French

French 2200 (core)
French 3200 (core)
French 3201 (core)
French 2203 (expanded core)
French 3203 (expanded core)
Français 1202 (immersion)
Français 2202 (immersion)
Français 3202 (immersion)

Religious Education

Ethical Issues 1104
Questions morales 1134
Christian Writings 2104
L'étude de textes sacrés 2134
World Religions 3101
World Religions 3106
Enseignement religieux 3131
Enseignement religieux 3136

Technology Education

Design Technology 1109
Design Technology 2109
Communications Technology 2104
Communications Technology 3104
Computer Technology 3200
Integrated Systems 1205
Woodworking 1107
Woodworking 2107
Power Mechanics 2103
Home Maintenance 3108

Family Studies

Foods 1100
Clothing 1101
Healthy Living 1200
Human Dynamics 2201
Nutrition 3100
Textiles 3101

Please note:

- In some cases a particular course may be listed as satisfying more than one of the graduation requirements. If credit is received for this particular course it can be used to satisfy either of the two graduation requirements and not both.

Example;

Theatre Arts 2200 may satisfy either the “Optional language Arts” or “Fine Arts” requirements. A student who has credit for Theatre Arts 2200 may use these two credits to satisfy **EITHER** the “Optional language Arts” **OR** “Fine Arts” requirements and **NOT** both.

Other courses which may satisfy more than one requirement include;

French courses	Optional Language Arts and Other Required Credits
Healthy Living 1200	Physical Education and Other Required Credits
Folk Literature 3203	Optional Language Arts and Fine Arts
Clothing 1101	Family Studies and Fine Arts
Textiles 3101	Family Studies and Fine Arts
Canadian Economy 2203	Canadian Studies and Enterprise Education
Économie canadienne 2233	Canadian Studies and Enterprise Education
